Invest in yourself

A 1 Day NLP Workshop takes place in County Clare this April.

Are you achieving all that you desire in life? Are you happy with your career? Within your relationships? In your own skin?

NLP is the study of excellence... and achieving it.

Now an exclusive 1 day workshop examining the principles of Neuro Linguistic Programming comes to Clare. We're not going to lecture you about NLP – we're going to give you an experience of NLP.

Special Offer Price – Day Long Course plus Lunch (Limited Availability)

€49 per person

If you enjoy the 1 day introduction then you'll have the option to sign up for a further 3 day workshop to gain an accredited Diploma in NLP.

This day can have benefits for everyone, from those searching for personal development to business managers, employees & practitioners.

Workshop takes place on Sunday April 18th at Burren Life Balance, Corofin, County Clare; facilitated by Robert Smith & Liz Bailey from Treacle International NLP (Devon, England) www.treacleintltraining.co.uk
