LIFE BALANCE

AN NLP EXPERIENCE

We're not going to tell you about NLP

We are going to give you an EXPERIENCE of NLP.

Are you curious about how some people are average at what they do whilst others excel?
Would you like to know the difference that makes the difference?

Are you ready to unshackle your limiting beliefs and discover endless possibilities?

YOUR NLP EXPERIENCE

- How easy "change" is, because all you are is "changing"
- How you are communicating with yourself and others
- How to build great relationships
- The power of "Beliefs"
- Conditioned Response
- How you code and re-code "Perceptions of the World"
- How to "Create your own Destiny"

This day will give you the basic "tool box" to Be, Do and Have what you want and deserve from life.

This is the start of a new journey, your journey that will take you places you only dared to dream of, a journey that you never thought possible and yet... you know there is more... Because, whatever you think you are, you are always more than that...

There will be a further three days for those of you who decide you want more than just a "guided tour."

Dates to be confirmed to complete a four day accredited NLP Diploma Course.

Trainers are: Robert Smith and Liz Bailey, Treacle International Consultancy and Training.
